ORGANIC OUTINGS

The super-versatile, mum-loved Ergo Baby carrier has gone organic. Its famous features are the same as the original – like the three-position carry and high-level support – but now it's available in 100 per cent organic materials.

ELLEN POMPEO

Baby carrier, \$189.
Ergo Baby from Babes
In Arms, 1300 725
276, babesinarms.com.au.

Eco dummy

This all-natural, organic dummy is a huge hit with mums in Europe and is growing a cult following in Australia. Made from a single piece of sustainably-produced rubber, this new model features an improved design and is BPA-free.

Dummy, \$9.96. Natursutten
